

Get your chance!

For more than 175 years, Oschatz Power GmbH has been a leading specialist in combustion technologies, energy recovery and waste utilisation in plant construction with the know-how of more than 1,500 successfully implemented plant projects. Innovative and resource-efficient waste heat systems for converting industrial waste heat into steam or other forms of energy form the core of the product portfolio. Oschatz Power GmbH is a member of the Deurotech Group GmbH.

For our location in Essen we are looking for:

Commercial Project Manager (m/f/o)

Your tasks

- Responsible for the management of the contract together with the technical Project Manager
- Responsibility for all commercial, contractual, fiscal and administrative tasks for the fulfilment of the client contract
- Conducting all commercial and / or contract-related meetings with the client and key subcontractors in coordination with the Project Manager
- Responsibility for the execution of Contract Change Management incl. creation / check and approval of Extra Work Orders in coordination with the technical Project Manager (customer and supplier related)
- Continuous maintenance of the cost forecast (MIKA) in cooperation with the technical Project Manager and the Controlling Department
- Coordination of insurance matters
- Responsibility for the commercial preparation of quotations
- Invoice verification (project-related)

Your profile

- Required are knowledge and skills as usually acquired through a university degree (e.g. Master's degree in business administration, contract management, industrial engineering, law or similar) and expertise gained through several years of specific professional experience.
- At least 10 years of professional experience in international plant construction in a comparable position
- Customer-oriented, team player and able to work independently
- Very good communication skills with internal and external contacts
- High level of commitment, flexibility and assertiveness
- Excellent skills in conducting complex negotiations in different cultures
- Fluent in written and spoken German and English
- Travel willingness (at home and abroad)

We offer

- An open-ended employment contract in a future-proof industry with excellent career prospects
- Flat hierarchies, short decision-making processes and collegiality characterize our corporate culture
- Independent and varied work in a motivated and engaged team
- An attractive salary, capital-forming benefits and company pension scheme
- 30 days vacation, as well as individual training and development opportunities
- Modern offices in the heart of Essen including company parking spaces and the option to work remotely
